Welcome to the 59th annual Lazy JS Ranch Production Sale. We love this time of year as it gives us a chance to gather with our family, old friends, and new ones made on sale day. Without you all this wouldn't be possible.

We feel that we have a nice set of colts for sale this year that have the mind and athleticism that can take you to the pay window in the rodeo arena or just enjoy on a trail ride and anything in between and look good doing it. We think they can be a sound investment for you.

We have been fortunate over the years to have raised some really good horses that have excelled on the ranch and in arenas across the country. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. Most of our mares have been ridden and used for ranch work. We are currently riding sons and daughters of the stallions and they are good horses and have been easy to train.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome back Stearns Quarter Horses and are pleased to welcome Bob and Jan Quickstad as guest consignors.

Please check out our website at www.lazyjsranch.com and view videos of some of the colts on www.facebook.com/lazyjsranch. Make sure you join us at the ranch on sale day. Come view the colts with their mothers and join us for lunch and of course, pie and coffee! We look forward to seeing you on sale day, Saturday, August 18!

LJSR Poco Hook — 1996 Red Roan Stallion • #3448119

Great looking bay roan stallion that goes back to Fancy Roan Bar and Tee Jay Tommy. He was successfully used for team roping before we bought him back. His offspring are gorgeous. They have great heads and huge hips. They have been really great to halter break and have been doing well in the team roping pen. Most notably, Kevin Rahn's, CA Roan Talon "Cactus", who he qualified on for the 2016 World Series of Team Roping in Las Vegas.

PJs Jessie Bueno — 1997 Dun Stallion • #3578222

JB has been a great sire for us over the years. He goes back to the immortal cow horse sire, Poco Tivio, on the top, and the reserve world champion cutting horse, Jessie James on the bottom. Splash in a little speed on the bottom with Jet Smooth and you have a recipe for colts that can do anything. He sires good foot and bone, and most importantly a great mind. We hear from customers that have purchased colts by JB and they rave about how trainable they are.

LJSR Emperor — 2003 Black Stallion • #4341975

Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearn's Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.

Starlights Boon — 2013 Red Roan Stallion • #5514925

Starlights Boon is a smooth moving, cowy, and athletic son of Starlights Lenny who earned $4,890 and his NCHA COA. Grays Starlight is an all time leading sire of over $10 million in cutting, reining, and cow horse events and has proven to be one of the most versatile sires in the industry. Peptos Stylish Oak is the sire of nearly $4 million in cutting earners. Boon's dam is a good sized mare standing at 15 hands and she is a full sister to the 2008 Colorado Reined Cowhorse Fall Futurity Champion, Peptos Pretty Pep. We are pleased with this set of foals by Boon.

Welcome to Carter Acres! We are grateful to once again be included in the LJSR sale. As producers come and go, I think you'd agree that 59 years doesn't happen by accident! The horse business always has ups and downs, but we had an exceptionally tough spring this year, as did many others. We're not bringing as many as we wish - but what we are bringing is deep in quality. We were unable to lease Chex Peppy Doc again as he didn't winter well, so this will likely be the last opportunity to own one by him. Thank you for your interest and we welcome your questions. Join us for a **preview at our home on Saturday, August 11, 2018 from 5-8 p.m.**

Sterling has been a tremendous sire for us. We have producing daughters that are proving themselves very special broodmares, we have a couple more coming into production and we've saved a stallion prospect. He's done his job for us so he is currently for sale at private treaty. Inquiries welcome.

It is a pleasure to sell with Silhas again this year. I want to thank, Russ, Blaine, Kenzie and Teagan for supporting me in my hobby! The colts are all growing nicely and developing muscle. Remember the pictures were taken at the end of June so they will have grown a lot by sale day. They will be halter broke, have Coggins tests and have color change papers included with their papers. I should have all papers by sale day. My phone is 701-279-5867, cell 701-440-8438, Russ Homelvig 701-289-6338.

Susie Stearns
Russ, Blaine, Kenzie and Teagan Homelvig

Reference Sire

Bub produces big solid bone on his offspring. They will be able to drag, pull, or push anything. He is a gentle giant and passes that trait onto his babies. We love to watch how fast these colts grow and develop muscle. Russ has had a few rides on him and will do so again this fall when we pull him out of the mares.
